

Donate Your Old Cell Phones & Help Your Local Red Cross

Here is an outline what actually happens to the phones donated. There is one of three things that will happen to the phones once Phones 4 Charity receives them.

- 1) If the phone is good and still holds a market value then it will be sold and the proceeds will go to The American Red Cross Metro Atlanta.
- 2) If the phone is good but doesn't hold a market value then it will be sent to a women's shelter or an elderly care facility to be used for 911 call capabilities.
- 3) If the phone is not working then it is basically scrapped and will be recycled for its precious metals and the toxic materials will be kept out of landfills.

Thank you for supporting your local American Red Cross.
