

## Dealer Direct Financing Participating Dealers

General Motors and Chrysler are offering substantial savings to credit unions members when purchasing a car from them. We have highlighted our General Motors and Chrysler participating dealers in red. Gm's offer ends March 31 & Chrysler's offer ends June 30.

If you want to buy your vehicle at a dealership AND use ACU for low cost financing, then the new convenience of Dealer Direct financing is for you. Just visit any participating Dealer Direct location, and ask for the Dealer Direct Representative. No more waiting for your ACU loan... it's "on-the-spot", one-stop shopping for your next new or pre-owned vehicle.
