Penalty APR And When It Applies	<p>18.00% This APR may be applied to your account if your account is 60 days past due.</p> <p>How Long will the Penalty APR Apply? If your APRs are increased for any of these reasons, the Penalty APR will apply until you make twelve consecutive minimum payments when due; and you do not again default on these conditions during this time.</p>
Paying Interest	Your due date is at least 25-days after the close of each billing cycle. We will not charge you any interest on purchases if you pay your entire balance by the due date each month. We will begin charging interest on cash advances and balance transfers on the transaction date.
Minimum Interest Payment	If you do not pay your balance in full, you agree to pay at least a minimum payment of 3% of your New Balance (rounded to the nearest whole dollar) or \$10.00, whichever is greater at the end of each statement period. If the New Balance shown on your periodic statement is \$10.00 or less, you agree to pay this amount.
